## November 2021 iConquerMS Spotlight

### The next Chat with Chat webinar is coming soon!

The Next Steps Committee of iConquerMS has launched a new webinar series called “Chat with Chat” and you’re invited! Hosted by our research collaborator Chat Ngorsuraches, these conversations provide a glimpse at the researchers working with iConquerMS, what they study, and how their work will benefit people with MS.

The next webinar, entitled “COVID-19 and MS: Lessons Learned from iConquerMS,” is scheduled for December 10, 2021 at 2 pm Eastern. Dr. Farrah Mateen will be the guest speaker. Anyone interested in attending, please register [here](#).

A heartfelt thank you to Chat and his colleagues for making this educational resource possible. Stay tuned for future episodes!

**In case you missed previous episodes of Chat with Chat:**

In [Episode 1](#), Chat spoke about his own research into the aspects of MS drugs that people value the most.

In [Episode 2](#), Chat spoke with Nina Bozinov, MD MS, about "Measuring the Quality of Life of People With MS: Findings From the REAL MS Study." If you've participated in REAL MS, this is a great chance to learn what your data is telling us about life with MS. P.S. The 2021-2 REAL MS surveys are still open! If you are a member of iConquerMS, why not [complete yours](#) today?
